• BIENVENUE • WELCOME • WELKOM • WILLKOMMEN

Dear Participants,

We are happy to welcome you to the 7<sup>th</sup> Annual Meeting held this year together with the Orientation week in Bordeaux. For the newcomers this is an ideal opportunity to be introduced to the Program, socialize with other students and get to know our partner universities. This common workshop gathers every year the students, alumni and teaching staff. Workshops are driven by hot topics, neuroscience presentations by volunteered students, and dedicated to extensive debriefing and quality assessing and improvement of the program.

**We thank you for your participation,**
